Excursion Highlights at Queen Ethelburga's College

Scarborough and Whitby: Enjoy some time by Northern beaches, at England's original seaside resorts. Having the chance to buy proper fish and chips whilst sitting by the sea!

Manchester: England's second largest city full of history and delights. Known throughout the world as the birthplace of the industrial revolution, Manchester is bursting with character. Entrance to Manchester United Old Trafford Stadium included.

Liverpool: Liverpool is a city with unique attractions, world class sport offerings and unrivalled musical heritage. Liverpool is one of the most famous port cities in England, where the Titanic was built. Entrance to The Beatles Story included.

York: This medieval city has been beautifully preserved from the middle ages; once the capital of a Viking territory and home to some of Britain's most picturesque streets. Entrance to one of the most beautiful gothic cathedrals in the world, York Minster, is included.

Activity Programme Highlights at Queen Ethelburga's College

Rounders: A traditional bat & ball game that has been played in English schools for centuries and is the ancestor of baseball.

Capture The Flag: An outdoor adventure game where 2 teams each have a flag to protect. The objective is to capture the other team's flag located in their base, and bring it safely back to their own base.

Trashion Show: Trashion is a term for fashion that is created from used materials that may be thrown away. Students will create their own 'Trashion' outfits ready to be presented on the catwalk.

Murder Mystery: A fun role-play game in which a fictional character is 'murdered' and players have to hunt for clues and question suspects to solve the crime.

Ultimate Frisbee: A non-contact sport with 2 opposing teams. Each team scores points when they successfully pass the Frisbee to a member of their team in the 'end zone'.

Haka: A traditional war cry and dance, or challenge from the Maori people of New Zealand, famously performed by the NZ team before international rugby matches. Students learn and perform their own Haka!

Dragon's Den: Based on the TV show of the same name, in teams, students invent a product and present it to a panel of businessmen/women, hoping for investment in their product.

British Bulldog: A traditional tag-based game often played in playgrounds at schools. Players must get from one side of the field of play, to another, without getting caught by the 'bulldog'. If caught, that player also becomes a 'bulldog'.

Zombie Apocalypse: Students must solve puzzles and defeat the zombies that have taken over summer school!

Stop Motion Animation: An animation technique that manipulates an object to make it appear to be moving on its own. Students will be creating their own short films with simple cameras using this technique.
